SUBJECT: CHARLES C. BRYANT

Dear Sonny:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

Dear Terry:

The Ineligible Volunteer Record Sheet and the copy of the letter that was given to Mr. Bryant are most helpful as we start a file in order to refuse registration in the future. We would, however, like more information concerning this matter.

Please send us newspaper clippings, court records, or statements related to the child molestation. We need this material in order to complete our file.

We would, also, like to have the outcome of the legal action, if this is to go through the court system.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Charles,

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

  
Jan Perkins
